

# PERTH (THE GEN) TRAINING INFORMATION

# WELCOME TO ARG!

## WHO WE ARE

Australasian Response Group (ARG) is a leading provider of comprehensive Emergency Response and Safety solutions, serving the Mining, Oil and Gas, local government, and Aviation sectors. As part of a network of esteemed partner companies, we specialise in delivering tailored services that prioritise cost-effectiveness and risk mitigation across all phases of emergency management: Prevention, Preparedness, Response, and Recovery.

At ARG, our unwavering commitment to safety and preparedness underpins all our endeavors. We continuously strive for excellence and innovation, dedicated to supporting organisations in enhancing their emergency management capabilities and ensuring operational resilience. Whether it's in the mines, on an oil rig, or in the air, we're here to make sure everyone stays safe and your operations' business continuity are safeguarded.

## OUR VISION

At ARG, our vision is to empower our clients in addressing safety concerns comprehensively: through Prevention, Preparation, Response, Recovery. We achieve this by providing cost effective risk based solutions tailored to their specific project requirements. Utilising trainers from a range of backgrounds such as military, public safety, mine rescue, security, medical, and technical mining services ensures we deliver high quality industry relevant emergency response training and solutions.

# REQUIREMENTS FOR 'THE GEN' TRAINING FACILITY

**COURSE TIMES: 7:30am - 5:30pm**

All students will be required to sign-in to the facility daily. Training attendance is recorded each day, and your trainer will provide you with the attendance record.

Structural fire boots are required for live fire training. If you do not own a pair, you will be asked to provide your size prior to the course commencing. ARG will provide the boots prior to fire training commencing.

## REQUIREMENTS

**Trainees are required to bring the following each day:**

- Clear medium impact safety glasses
- Lace up steel/composite toed work boots
- Long sleeve Hi Vis shirt and pants OR rescue overalls
- General purpose gloves

**Recommended trainee items:**

- Water bottle
- Stationery (pens, notebook)
- Morning tea and lunch (tea/coffee/milo provided)

## PROVIDED BY ARG

All task-related PPE and safety devices are supplied by ARG to our trainees. This equipment is the property of ARG and must be inspected and maintained before, during, and after use.

## LOCATION

Our address is 11/9 Parkes Street, Cockburn Central WA. As the Gen is located in a public space with additional businesses operating in the complex, we ask all participants to represent ARG and their client company with high standards. We ask all our clients and their trainees to ensure any interactions with other businesses operating in the complex are positive.

## PARKING

Parking is available on Parkes Street and adjacent Tamara Drive. Please ensure all personal vehicles are parked in the red highlighted areas on the map below (parking is free). Students must not park inside the gate as unfortunately these are all private bays.

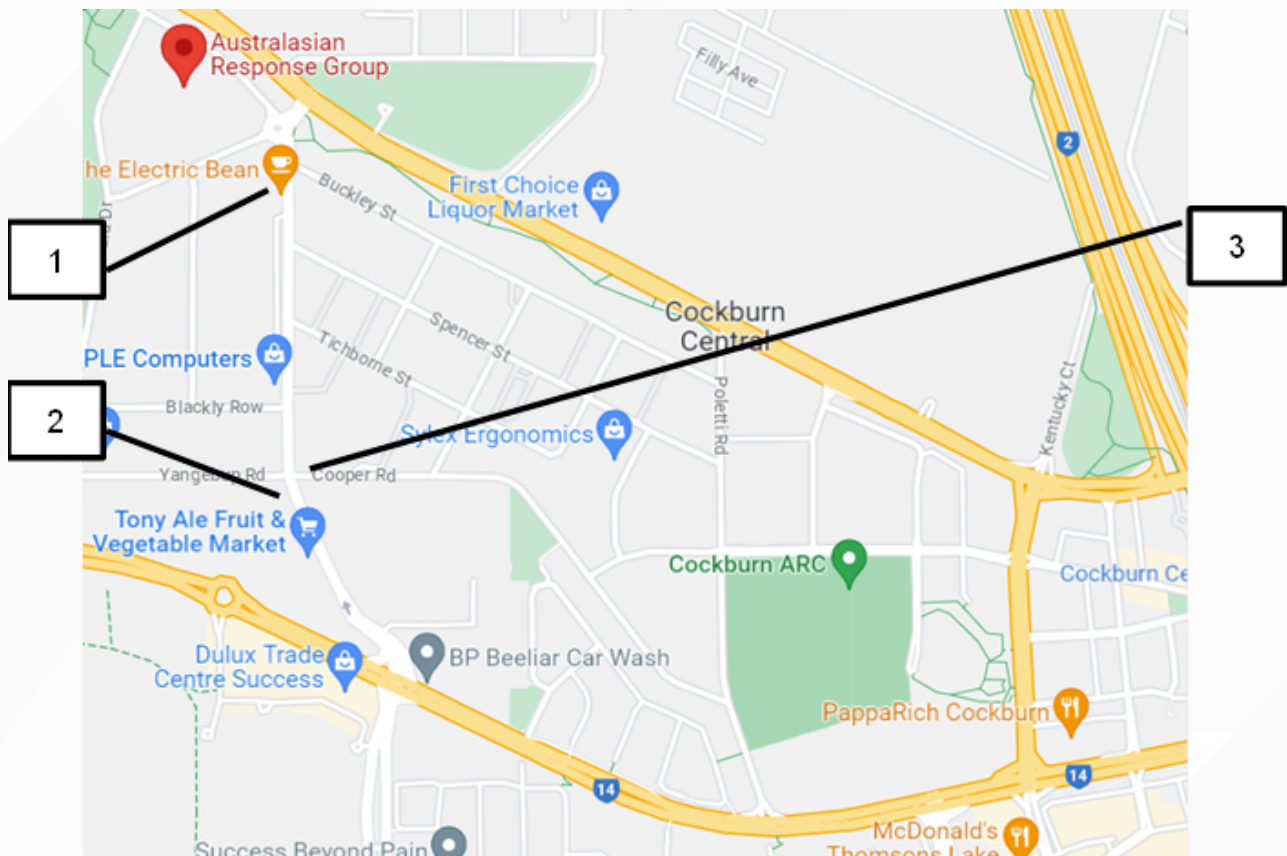

## FOOD

A microwave and fridge are available at The Gen. We also have a mobile food truck arrive at our complex at approximately 11.40am Monday to Friday.

We have listed the external options most enjoyed by our students below.

1. **The Electric Bean Co** – Unit 11/1 Merino Entrance, Cockburn Central 6164
2. **Heats Bakery** – Unit 1/1 Blackly Row, Cockburn Central 6164
3. **Portuguese Delights** – 3/2 Cooper Road, Cockburn Central 6164
